# Da Vinci Malaysia Kids Art Awards

## Malaysia Kids Art Awards 2016

The 12th nationwide art competition was organised in conjunction with the release of the beautifully animated, Disney's 'Moana'. The competition challenges children ages 5-12 to create their own unique and perfect sailboat!

We have received more than 2,600 artworks from across the country. Our judges from Da Vinci Creative Kids, Walt Disney Malaysia, Play-Doh, Bintang & Sinaran Sin Chew and Monkey Theory had a hard time choosing the best artworks from thousands of quality artworks!

The final 52 winners won themselves cash and prizes including passes to "Spritzer Slide The City's" water slide experiences, Play-Doh DohVinci's art and craft toys, Disney's Moana movie premiums and Da Vinci Creative Kids programmes! There was also an intense voting competition for the most popular artworks selection on our Facebook page.

## Malaysia Kids Art Awards 2015

In 2015, Da Vinci's annual competition, in partnership with Disney•Pixar's 'The Good Dinosaur', provided a ground for young children to imagine a thrilling journey with the main characters, Arlo & Spot! Winners get to walk away with cash prizes, SKECHERS shoes, SKYTREX Adventure Entrance Tickets, Da Vinci art programmes and movie premiums.

## Malaysia Kids Art Awards 2014

Schools, parents and children were pretty hyped about our 10th nationwide art competition as the partnering movie for the year was everybody's favourite—Disney's 'Big Hero 6'! We dared the young talented 'heroes' and 'heroines' to design their own unique hero mask! Winners with the best mask designs won cash from RHB Bank, STAEDTLER hampers, IKEA's Gift Card and a mysterious toy, movie premiums and Da Vinci art programmes worth up to RM 43,800!

# Fun & Cool Events

## Da Vinci X ESMOD KL Fashion Workshop

Da Vinci Creative Kids partnered with the ESMOD Kuala Lumpur Fashion School for 'Dress Up Dino' workshop in conjunction with the prize presentation of 'The Good Dinosaur' Malaysia Kids Art Awards 2015. The one and a half hour workshop emphasises the use of papers, decorative elements and colourings to teach the little ones the basics in creating patterns and designs.

## IKEA Easter Egg & Dala Horse Workshop

We had a great time collaborating with IKEA to bring fun to the kids! The kids were excited to create their own magnificent Easter egg and Swedish Dala horse.

## Kids On 2 Children TV Programme

Once again, Da Vinci was given a chance to be involved in a few episodes of Kids On 2 TV programme's craft workshop segment!

## Mahsing Charity Horse Painting

What a spectacular view of 'terracotta horses'! Mah Sing Group invited Da Vinci to guide orphans in painting horses for a charity fundraising.

## Blossom Arts Festival Drawing & Colouring Competition

As part of the effort to encourage creativity development in our nation and arts appreciation, Da Vinci was invited by M.C.A to participate in the Blossom Arts Festival. Kids and parents of all places came to join our art competition in Malacca, Pahang and Kuala Lumpur.

## IKEA Swedish Mid-Summer Festival Workshop

Glad to be invited as part of IKEA's Swedish Mid-Summer celebration, we've experienced so much love during the two day event, guiding kids to make floral head wreaths and customised puzzles!

## Hush Puppies Smile Nation Art Festival

Da Vinci was invited as a partner of a smiley art campaign together with Hush Puppies! A few of our students won the art competition hosted during the festival. Da Vinci was also given an opportunity to conduct a shrinking plastic keychain workshop with kids at 1 Utama's Centre Court.

# Da Vinci Student Won Gold in Nationwide Biggest Secondary School Art Competition – Malaysia's Top 10 Outstanding Young Artists Awards 2016

Da Vinci student Kua Kuei Chin made us proud by winning Gold in the most prestigious secondary school level art awards in Malaysia, competing against more than 2000 participants! It was not the first time Kuei Chin participated in this art competition. However, she did get selected as a Top 10 winner before this and finally, her hard work paid off as her artwork won the hearts of more than ten juries - professional art and design masters from The One Academy, Walt Disney Malaysia, Gempak & Comic King's artists!

As the Gold Winner, Kuei Chin was rewarded RM 60,000.00 art scholarship, enabling her to continue in pursuing arts as a professional. Two thumbs up for her!
