

Introduction

Merida is a skilled archer and impetuous daughter of King Fergus and Queen Elinor. Determined to carve her own path in life, Merida defies an age-old custom, unleashing chaos in the kingdom. She turns to an eccentric wise old woman for help and she is granted an ill-fated wish. The ensuing peril forces Merida to discover the meaning of true bravery in order to undo a beastly curse before it's too late. Join the courageous Merida as she confronts tradition, destiny and the fiercest of beasts in the mysterious Highlands of Scotland with the Da Vinci Nationwide Kids Art Competition.
